

The Exeter Wall Clock

Customized & Personalized for Your Recognition Awards

Modeled after the railroad regulator clocks of the 19th century, this handsome wall clock features a distinctive crown molding and full-length hinged, framed glass door. The lower glass is silk screened in a manner to allow the viewer to look through the customizable logo to see a working solid brass pendulum.

The Exeter is truly a high-end commemorative wall clock for the discriminating collector.

Specifications

- American hardwood
- Ivory colored, Roman numeral face (customizable)
- Chiming Westminster movement with pendulum and 2 C batteries installed
- Lower see-through gold and black glass with customizable logo.
- Dimensions: 27"h x 14"w x 6"d
- Shipping wt. 16 lbs.

Available in either an Antique (light) or Burgundy (dark) finish.

The Lincoln Regulator Wall Clock

Customized & Personalized for Your Recognition Awards

An up-dated design of the Lincoln, the Lincoln Regulator features a deeper case to accommodate a German Westminster chiming movement with a pendulum. The lower glass is silk screened in a manner to allow the viewer to look through the customizable logo to see a working solid brass pendulum.

The combination of beautifully detailed construction, the Westminster chimes and the relaxing motion of the pendulum mark time like no other clock in our collection.

Specifications

- North American hardwood
- Ivory colored, Roman numeral face (customizable)
- Chiming Westminster movement with pendulum and 2 C batteries installed
- Lower see-through rich gold and black glass with customizable logo
- Dimensions: 23"h x 13"w x 3 "d
- Shipping wt. 10 lbs.

Available in either an Antique (light) or Burgundy (dark) finish.

The Jefferson Mantel Clock

Customized & Personalized for Your Recognition Awards

This handsome mantel clock was named after a small town in New Hampshire where our friends who work with hardwood have the same affinity for quality and character in their products as our craftspeople have at New England Wall Clocks.

A gold-finished handle exemplifies the simple bracket design of the Jefferson and reminds us of less complicated times. Enhanced by a brass diamond-cut bezel, the customizable face is easily seen from across a room.

A very popular wedding gift!

Specifications

- American hardwood
- Gold-finished metal handle
- Diamond-cut solid brass bezel
- Ivory colored, Roman numeral face (customizable)
- Choice of silent or chiming movement:
- Silent quartz movement comes with AA battery installed
- Chiming movement comes with 2 C batteries installed
- Dimensions: 11-1/2"h x 8"w x 4"d
- Shipping wt. 5 lbs.

Available in either an Antique (light) or Burgundy (dark) finish.

The Winchester Mantel Clock

Customized & Personalized for Your Recognition Awards

Soul mate to the Jefferson, the Winchester is a simple but equally pristine design at home in any décor. It offers a beautifully handcrafted hardwood case with a diamond-cut, glass-fitted brass bezel to protect the ivory colored Arabic numeral customizable face.

The Winchester is available with a silent quartz or a chiming Westminster movement.

Specifications

- American hardwood
- Diamond-cut solid brass bezel
- Ivory colored, Arabic numeral face (customizable)
- Choice of silent or chiming movement
- Silent quartz movement comes with AA battery installed
- Chiming movement comes with 2 C batteries installed
- Dimensions: 10"h x 8"w x 4"d
- Shipping wt. 5 lbs.

Available in either an Antique (light) or Burgundy (dark) finish.

The Alton Wall Clock

Customized & Personalized for Your Recognition Awards

The Alton is the most elegant little wall clock on the market. The molded profile is made of one piece of American hardwood. The utter simplicity of the design and the patina of the finish will draw your eye to the Alton more often than you'll need to tell the time.

Specifications

- American hardwood
- Ivory colored, Roman numeral face (customizable)
- Silent quartz movement comes with AA battery installed
- Dimensions: 10-1/2"h x 10-1/2"w x 2"d
- Shipping wt. 4 lb

Available in either an Antique (light) or Burgundy (dark) finish.
